

New Golfing Experience in Sudbury

Stonehill Golf Course and the Parkinson Support Group of Sudbury invite you and your friends to come out to **Pitch and Putt Monday's**

Starting Monday June 13th, Stonehill Golf Course will be offering **Pitch**

and Putt Golf on Monday afternoons and evenings

(holiday Mondays excluded) in support of the Parkinson Support Group of Sudbury.

What is Pitch and Putt Golf?

It's 9 holes of golf but it's played on much shorter distances and you only need two clubs - a putter and a wedge - preferably a pitching wedge.

Distances vary between 40 to 100 yards so you

don't have to worry about drivers and irons..

It is a great introduction to golf for beginners young and old. For experienced golfers, it's a nice way to come and practice your wedge shots and putting. Nine holes of Pitch and Putt Golf **can be played under an hour and a half.** A fun outing with your friends or family.

Come on out and enjoy the beauty of Stonehill golf course and help out the Parkinson Support Group of Sudbury.

Play 9 holes for \$12

9holes + club rentals \$13

9holes + clubs + cart \$25
