

Make Memorial Donation to Parkinson Canada

Exercise caution when searching on-line for the funeral home website. Unfortunately there are scammer "memorial" websites that take a commission from your donation. Reputable funeral homes do not take a commission. If you are unsure, a quick call to the funeral home can ensure you are using the right website.

Note: The Parkinson Support Group of Sudbury cannot issue tax receipts for donations. If a donor requires a receipt, the donation must be made to the national organization, Parkinson Canada.
